Artist Profile: Jane Stewart

I am recently retired and live in Coventry. Apart from a few charcoal/graphite and pen & ink drawings of wildlife in my 20's my interest in art took a back seat to work/family/sporting activities until after my retirement in 2019. I was attracted to the medium of soft pastels and commenced my voyage of discovery in May 2020. I love painting wildlife and horses & dogs and tend towards a more photo realistic style. The technique of working with soft pastels is similar to oil or acrylic, building up layers to give depth and detail and using good tonal values to give shape and form to the painting. I work mainly on Pastelmat paper which allows for several layers of pastel but aim to experiment with velour as an alternative.
