This piece depicts a young and beautiful woman looking at the viewer longingly. This solemn look is contradicted by the use of gold to bring a warm and happy feeling to the piece.

Artist Profile: Sandy Innocent

I am a freelance visual creator, based between Warwickshire and Falmouth.
My passion lies in the visual arts: From as early as I can remember, I have been interested in capturing memories and telling stories through still and moving images.
I have studied television and occupy my free time trying to create the perfect study of my current interests, whether this is people, objects, narratives or political contexts.
